Medanta – The Medicity, founded by eminent cardiac surgeon Dr. Naresh Trehan, and managed by him and his team of renowned doctors, is a beacon for medical excellence in India. We are built on the foundation of providing India with unmatched healthcare, medical facilities, cutting-edge technology and state-of-the-art infrastructure.

Medanta – The Medicity is home to the most prominent medical talent in India, our world class team of doctors are unparalleled in the quality of medical care they provide. Spread over 45 acres, Medanta houses 1250 medical beds, over 350 state-of-art critical care beds, six centres of excellence and 45 operating theatres for over 20 specialities to ensure that every patient receives individual attention and dedication from our medical staff.

Medanta also provides compassionate healthcare to patients who are at great distances, “Flying Doctors India” in an emergency medical care air-rescue initiative at 30,000 feet above sea-level. Our team of 40 doctors from different specialities, have the largest flying doctor’s experience in the world and are the first in India to provide access to state-of-the-art tertiary care anywhere in the world. We also have Tele-Medicine Centre equipped with advanced technology that provide any location in India access to primary & secondary health centres.

Medanta also hosts a number of international patients through our International Patient Services. These services offer treatment packages, visa assistance and the coordinating and scheduling of appointments at the hospital.

MEDANATA MEDICLINIC
THE BEST IN GLOBAL HEALTHCARE NOW AT

In keeping with the mission to deliver superior facilities, DLF has partnered with Medanta and will care for the health and safety of every single individual in DLF Cybercity.

Eminent cardio-surgeon and founder of Medanta - The Medicity, Dr. Narain Trehan will introduce and share his vision about The Medanta Mediclinic, an extension of Medanta - The Medicity with a commitment to provide medical excellence, is a multi-specialty clinic and out patient facility that will deliver premium healthcare services to the 2 lakh workforce in DLF Cybercity.

As an extension of our vision to provide access to the highest standard of affordable medical services with care, compassion & commitment, we are delighted to set up a Medanta Mediclinic at DLF Cybercity. This mediclinic is a multi-specialty clinic and day-care facility, set up as an extension of our flagship hospital in Gurgaon. It will provide immediate emergency care and conveniently located preventive healthcare for the 2 lakh workforce at DLF Cybercity.

Besides having a team for medical emergencies, the Mediclinic will also provide direct access to Medanta’s world renowned doctors.

Dr. Narain Trehan
Chairman & Managing Director
Medanta - The Medicity

The Medanta Mediclinic at DLF Cybercity will offer access to:

Consultations with Expert Doctors: Access to Medanta’s roster of renowned doctors from over 30 specialities.

Diagnostic Services: Avail Medanta’s pioneering diagnostic services, which include thorough blood work-ups, complete radiology services and a range of specialised tests.

Specialty Clinics: Run by leading experts, these clinics focus on specific health issues that are prevalent among corporates. A variety of clinics from Medanta will be open to allow for detailed testing on every specialization.

Medical Emergencies: As DLF’s health partner, Medanta will be providing Cybercity’s 2 lakh individuals life-saving medical emergency responses in any corporate situation.

Executive Health Checkups: The upgraded, thorough executive health check-up range from wellness and annual medical check-ups for corporates and their families to pre-employment check-ups for potential employees.

DLF Cybercity today is a corporate destination for many Multi-National Corporates and Fortune 500 companies, keeping in view the need of an emergency medical centre closer to the workplace, DLF took a strategic step to invite best-in-class healthcare facility within DLF Cybercity. We are thankful to honourable Dr. Narain Trehan for accepting our request and participating in our vision of providing the best healthcare by one of opening Medanta Mediclinic.

Amit Grover
National Director - DLF Offices
